Stürz

CINEMATIC INSTRUMENTAL ROCK

ABOUT STÜRZ

STÜRZ is the musical project of Berlin-based guitarist, composer and music producer Andreas Stürz.

With over 40 years of musical experience, he combines powerful instrumental rock with atmospheric soundscapes, emotional melodies and cinematic elements.

His music moves between energetic guitar passages and quiet, reflective moments, creating instrumental compositions that tell stories without words.

BETWEEN SHADOW AND LIGHT

The album Between Shadow and Light features ten original instrumental compositions blending powerful guitar rock, atmospheric soundscapes and cinematic elements.

Each track tells its own musical story – from quiet, reflective moments to energetic guitar passages.

Original release:	August 29, 2025
Digital re-release as STÜRZ:	November 13, 2026
Formats:	Streaming · CD · Vinyl

Stürz Live

Cinematic Instrumental Rock – Live from Berlin

Since September 2026, STÜRZ has been regularly performing his instrumental compositions on stages across Berlin.

Combining electric guitar with his own professionally produced backing tracks, he brings the energy of live performance together with the layered arrangements of his studio productions.

His live appearances include Barefoot Sessions, Arcanoa, Donau115 and Galeria Luna Sol.

His compact live setup is suitable for small concert venues, cultural events and open stages.
